

ULTIMATE A-FRAME™

Recognized as a versatile sports display. It promotes sponsorships and branding while creating a player-safe environment. This easy-to-use display is sturdy enough to barricade any field or court and light enough to collapse upon impact.

SPECS

Each Ultimate A-Frame has two corrugated plastic sections that when placed together provide a graphics area that is 96 inches wide x 34 inches high when folded on each side. Keep your sign in place until the end of your event with the provided ultralight aluminum stakes.

POPULAR USES

- Directional or barrier signage
- Sponsorship signage
- Portable mini-billboard
- Outdoor festivals and events
- Retail promotions

ADVANTAGES

- Graphics are displayed on both sides of frame
- Indoor or outdoor use
- Easy to set up and attach graphics
- Collapses on impact for player safety
- Lightweight and portable
- Folds down for easy storage and shipping
