

MAKE YOURSELF MORE VISIBLE

Media Backdrops are a perfect way to make yourself more visible and promote your organization, school or team during special events, press conferences or photo shoots. Sometimes referred to as step and repeat backdrops or banners, these backdrops reinforce your branding, provide sponsor recognition or set the tone, mood and theme for your event.

PREMIUM FABRIC BACKDROPS

Our premium backdrops are made of a special polyester fabric that provides a non-glare satin finish, perfect for photography. Our special direct to fabric printing process embeds your graphics into the fabric, providing a long lasting graphic that can be cleaned if needed. While the fabric is wrinkle resistant, it can be gently steamed with a hand-held steamer to remove stubborn wrinkles that sometimes occur when the backdrop is stored folded for a long period of time.
