### ADVANTAGES

- Save time and money on installation
- Flawless installation every time
- Photographic image quality
- Install on flat or curved surfaces
- Lower overall cost verses other options
- Choose from 19 different printable medias including, vinyl, synthetic paper, fabric, veneer, dry erase, and chalkboard
- Add multiple layers to create unique effects or highlight promotional events

# PHOTOMAG™

## SUSTAINABLE

- PhotoMag™ is environmentally friendly, 110% PVC free, and most of our print medias use 100% post consumer recycled base
- PhotoMag can be recycled through our recycling program instead of being discarded in a landfill

## PRODUCT SAFETY

Magnetic components utilized in PhotoMag pose no known health or safety issues and will not cause interference with electronic equipment

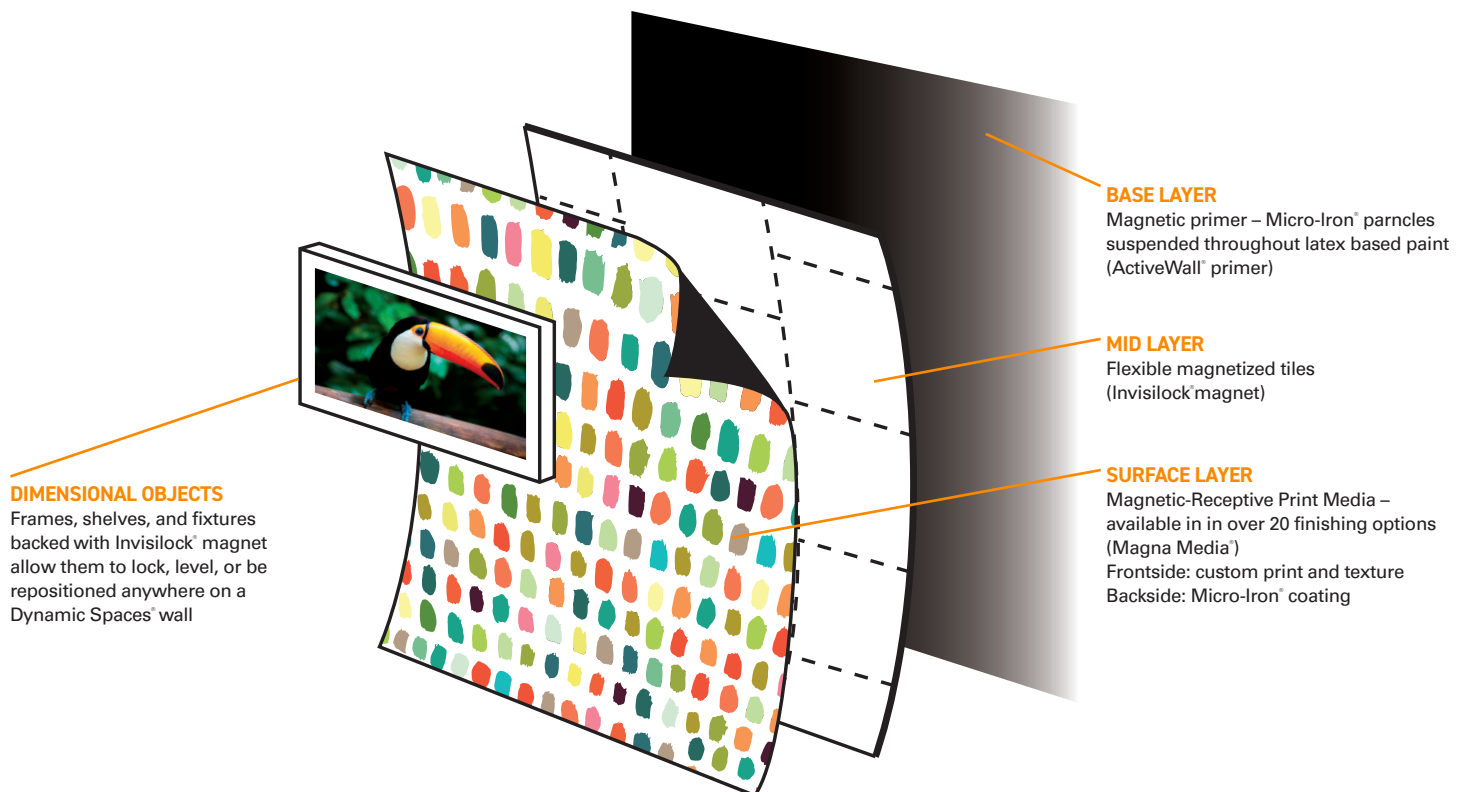

## SAVE MONEY AND TIME!

For a typical retail store that changes displays four times a year, PhotoMag can save you up to 33% in the first year alone over vinyl adhesives or foam board. In future years those savings increase up to 49%.

- Once the base system has been installed, there's no need for a professional installer again
- When using the magnetic based primer, no need for nails, or adhesives to mount your graphics
- Reduced shipping costs over other print and display alternatives

## SYSTEM COMPONENTS

The right combination of these components can help you create an elegant and simple interface for changing your graphics on almost any surface.
