## HOW IT WORKS: DIRECT PRINTING ON COLORED WINDSCREEN

We print directly to the colored windscreen using advanced UV printing technology.

### 1 CHOOSE YOUR MATERIAL COLOR

Select from our stock  
color windscreen options.

### 2 DIRECT UV PRINTING

Our UV printers print  
directly to the colored  
windscreen for vibrant,  
long-lasting graphics.

### 3 PRINT ONE OR BOTH SIDES

Choose single or  
double-sided printing  
for maximum impact.

### 4 FINISHED & INSTALLED

We finish to size and  
professionally install  
anywhere in the country.

## FRONT & BACK LOOK GREAT!

FRONT SIDE

BACK SIDE

No white reverse side.  
Clean, solid color from  
every viewing angle.
